

From Foundations Course Attendees:

*After 20 plus years of secular education, God has given me the best educational week of my life. The Principle Approach tools and methodologies are so wonderful, and I absolutely loved the way that you gave us a complete context, background, and history to help bring everything together.*

*Thank the Lord that He sent me here. It is going to change my teaching career and the lives of my students.*

*It was very motivating and inspiring. I see the need for Christian education using the Principle Approach even more clearly after this course.*

*To this end we always pray for you, that our God may make you worthy of his calling and may fulfill every resolve for good and every work of faith by His power, so that the name of our Lord Jesus may be glorified in you, and you in Him, according to the grace of our God and the Lord Jesus Christ.*

*2 Thessalonians 1:11-12 ESV*
