

Ministry REPORT 2022

Reseeding the ideas of American liberty

FACE VISION: *Raise an army of individual lives prepared to build the family, the church, and the nation through education in a Biblical-theistic worldview to glorify God above all and bless the people by applying wise principles to all areas of life.*

We see an America where God's sovereignty in all of human life reigns in the hearts and minds of its citizens who know and honor truth, value individual life—every life, and believe the principles outlined in the Bible knowing they are given to us for our good, for our greatest happiness in life lies in resting in God's will.

The strength of America, our nation's freedom, comes only through these life-giving principles. Noah Webster told us the education of youth is an employment of more consequence than making laws and preaching the gospel, because it lays the foundation on which both the law and gospel rest for success.

We have a vision to raise an army of individual lives prepared to build the family, the church, and

the nation through education in a Biblical-theistic worldview to glorify God above all and to bless the people by applying wise principles to all areas of life. This is what will shift the culture in America; this is what will return America to “first principles” our founding hope for the nation. We not only believe it with all my heart but I am witnessing it happen all across America.

Education is the key to reconstructing the foundations of the nation for tomorrow. The link between Christianity and liberty is indisputable. The way forward is to take hold of this and run with it, to work community by community to reseed the ideas of American liberty, not only into the next generation, but also in parents, grandparents, and for generations.

Then all your sons will be taught by the LORD, and great will be their prosperity.
In righteousness you will be established, far from oppression, for you will have no fear.
Terror will be far removed, for it will not come near you...

Isaiah 54:13-14
