What past attendees have said about this course:

"After 20 plus years of secular education, God has given me the best educational week of my life. The Principle Approach tools and methodologies are so wonderful, and I absolutely loved the way that you gave us a complete context, background, and history to help bring everything together."

"Thank the Lord that He sent me here. It is going to change my teaching career and the lives of my students."

"It was very motivating and inspiring. I see the need for Christian education using the Principle Approach even more clearly after this course."

*Give instruction to a wise man,  
and he will be still wiser; teach a righteous man,  
and he will increase in learning. The fear of the  
Lord is the beginning of wisdom, and the knowl-  
edge of the Holy One is insight.*

Proverbs 9:9–10 ESV

**Returning to scripture for our pattern  
and program. Restoring Biblical reasoning,  
Christian Character and Christian self-

vain deceit, after the tradition of men, after the rudiments of  
the world, and not after Christ." Colossians 2:8*

Our training prepares you to serve God's purposes for our children by His grace in profound hope.

**“The Christian School in America—from kindergarten through the college level—has the most critical role of leadership. If America is to restore her path to CHRIST HIS STORY then Christians must lead the way.”**

FACE sees teachers as vitally important in restoring Christian education. Whether you are a home school teacher or full time teacher in a classroom you are leading the next generation towards Christ. We want to make sure everyone who wants to be trained and working towards educating children in truth has the opportunity. I invite you to consider sponsoring a full or partial scholarship for a teacher to attend Foundations for Authentic Christian Teaching and Learning. A donation of \$1,000 covers a full scholarship including air travel, housing, and tuition per individual. A gift of \$395 covers tuition only.
